

Miss Leesa, Sing Us A Song!

Miss Leesa is a daycare teacher in Madison, CT and she sings to her children every day. Using music to motivate and inspire children she encourages them to sing along, tap their toes, use their imagination and have fun! As they listen they learn about counting, the alphabet, word meanings, and much more! Having received her Child Development Associate degree she knows that singing encourages speech and listening skills and promotes a healthy ego filled with positive self esteem! No matter what your age, you'll find yourself humming or singing along, toes tappin' ... taking this music into your heart.
